Summercamp 2009

Are you curious about the new technical development projects of Zarafa? Or do you want to share experiences with the most important Zarafa business and technology partners?

If the answer to one of these questions is yes, then this is your chance to participate in Zarafa's yearly event: the Summercamp 2009.

Participation offers you:

- Access to all presentations and workshops of Zarafa and different certified Zarafa Technology partners.
- The possibility to share experiences with many Zarafa partners
- The possibility to make recommendations regarding the Zarafa roadmap. Typical profile: CEO, CTO, and technical engineers involved in challenging open source projects.

Participation fee

Summercamp participation, including training on Thursday, costs 880 euro. Zarafa offers a discount of 50% for partners and existing customers:

Package	Dates in june	Max nr of hotel nights*	Special price
A Summercamp	19,20	2	290
B Summercamp & training	18,19,20	3	440
C One day only	19 or 20	1	190

* Dinners & lunches included.

Sponsoring partners

"Zarafa Summercamp is a unique network event that combines thought leadership and open source pioneering with deep technical workshops."
